FRENCH JOIE DE VIVRE IN A PERFECT ENGLISH SETTING
"You may accuse me of being a micro-idiot but, as we all know, the devil is in the detail. For me, excellence is the accumulation of seemingly inconsequential, minor and weightless details. Yet, if you gather them together lovingly and patiently, alongside your team’s intelligence - it is possible to create weight and density.”
FROM GARDEN TO PLATE

11 GARDENS WITHIN A GARDEN
“Each of our rooms is a unique journey. Whilst I was in Thailand, a terraced mountain rising up above the paddy fields became the inspiration for the exotic Lemongrass Suite. A beautiful room was born.”

RAYMOND BLANC OBE
A YEAR-ROUND WELCOME

“Even as a child I understood - from my work in the garden to the taste of the food my mother prepared - that life is rooted in the changing seasons. My vision of Le Manoir is based on this, a place of joy, in sustainable harmony with its surroundings, and complete deliciousness.”
